

EGEN (Empirical Study of Gender Network) Workshop
April 25-26, 2019
Yale University

LOGISTICS

Paper Access:

We request all participants to please read papers in advance as there will be no formal presentations by paper authors. All papers will be uploaded to a password protected Dropbox folder. If you are a paper author who has not yet sent in your paper or would like to update the version made available in the folder, please email the paper to Kathleen Crozier kathleen.crozier@yale.edu & Hira Jafri hira.jafri@yale.edu

Folder Link: <https://bit.ly/2X0SYwQ>

Password: gender

Workshop Format:

We have two different formats for discussion at the EGEN workshop

1) Panel (2 papers; 75 minutes)

For each paper in a panel, we will proceed as follows:

- 2 minutes of short framing comments by author
- 5 minutes of discussant comments
- 30 minutes of open discussion

Chairs are responsible for introducing panel participants, keeping time and moderating the discussion.

Discussants are requested to make 5 minutes of comments each. Discussants for a particular panel may decide among themselves whether they would like to comment on one paper each and split up papers, or if they would each like to offer brief comments on both papers in their panel.

2) Breakout Sessions (1 paper; 60 minutes)

- 5 minutes of framing comments by author
- 5 minutes of opening comments by facilitator
- 50 minutes of open discussion with author in a small group

Please use the following google form to sign up for a breakout session of your choice in advance of the workshop. We have capped each group at 7 participants (excluding the paper author and group facilitator) to ensure a relatively even distribution across groups: <https://bit.ly/2KLFGTN>

EGEN (Empirical Study of Gender Network) Workshop
April 25-26, 2019
Yale University
